## WHAT'S IN FOR YOU?

[MOODLE E-LEARNING PLATFORM](#)

- Knowledge about jobs in blue economy sectors
- Understanding of how to relate the skills with career paths for progress, as well as for cross-sectoral mobility
- Ability to use tools for mentoring and coaching for a blue career, to help mentees clarify their goals and determine the feasibility of those goals
- Capacity to correlate the responses of VET learners about the desired career with the skills and competences required by labour market
- Ability to help VET learners to set realistic timelines and to encourage them to track progress

NEWSLETTER 1, AUTUMN 2021

## WHY JOIN?

- Gain access to the project results with the possibility to guide your VET learners and/or your young employees to start and progress in the career
- Networking - be in touch with peers and colleagues and exchange experiences about career counselling
- Participate in the final conferences that will take place in Romania, Spain and Turkey. The participation is financed by Erasmus and it will be a hands-on event, where you will participate in interactive activities, give and take feedback to/from our team.
